01 — Mental health support by providing for DC127 placed foster children.

02 — Reaching out to our local ministry partners and seeing what they need specifically, and trying to meet that need.

LOVE = SER

03 Scheduling more leaders/pastors to online experiences and prayer rooms, to respond to people in crisis, and increase presence to be a friendly voice for those in isolation.

04 Launching Drive thru prayer to share the burden in a more human and tangible way.

05 Rolling out emergency food relief across the country thru Convoy of Hope.

06 Delivering meals, to essential personnel businesses, and essential care professionals.

07 Reaching out to local Nursing Homes to assess needs, and avenues to provide support.

08 Providing and funding for those making masks for hospitals and vulnerable people, as requested.

09 Supporting pastoral care, and benevolence to those who have lost jobs, and need access to food relief, as needed.

10 Examining Citizen Heights programming (now and on the road to recovery) to insure we can continue social distancing, and include key vulnerable groups (youth, children, families, elderly, etc.) when stay at home orders are lifted, and church begins gathering.

11 Sanitation support by providing bars of soap, hand sanitizer to area shelters.

12

Providing THE GREATEST LOVE KINDNESS printable cards for the church to use, as they make drop-offs within their community and neighborhoods.

13

Established SERVECORP, and arm of Heights Foundation aimed at activating and coordinating service opportunities to bring relief to those impacted by COVID-19.

14

Enhancing website to link people to services available through the government support for ongoing impact.
